## CAREER OBJECTIVE

To always be inspired, to surround myself with other creative people and to continue to learn and further improve my skills so that I will be able to add value at the highest level to the company I am employed in.

## EDUCATION

### 2009 Advanced Diploma in Visual Communication (Design)

Design College Australia, Brisbane QLD

Course involved completing client briefs for a wide range of subjects such as advertising, branding, identity, stationery, website design and development, CD covers, poster design, promo shoots, t-shirts, brochures design and production, catalogues, packaging and photography.

Whilst completing this course I have expanded greatly on my presentation skills and public speaking, I have also developed an understanding of how to present my work and sell an idea to a client. I am able to collaborate and work in a team environment and am able to meet deadlines.

### 2007 Diploma Of Screen (Animation)

Qantm College, Brisbane Qld

Course involved creating animations both in 2d through Flash and in 3d through 3d Studio Max. For advertisements, short films and character design and development. I also created game levels from scratch through the Unreal Tournament game engine.

## PERSONAL

When I was 3 years old I was given my first colouring book, from that day my love for art and design has grown into a little bit of an obsession. I love the freedom of design and the ability to go anywhere you want with it. I want to learn as much as I can about the industry and continue to grow as a designer.

## EMPLOYMENT HISTORY

### **sanofi-aventis - Graphic Designer**

2010 - 2011
